Welcome to MGE

We partner with K-12 and university students to unlock their full potential by developing study skills and habits that will guide them towards all the academic goals and successful future.

About Math Global Education

For the past 20 years, Math Global Education has successfully guided 1000+ students to reach their academic goals. We have observed that students need tutors that are familiar with the school curriculum and study habits needed to succeed. We carefully select tutors that are top university graduates, as well as the experts in their field in order to guide MGE students to the outstanding results and eventually financial freedom.

Private & Semi-private Classes

AFTER SCHOOL HOMEWORK CLUB (ASHC)

To study successfully, continuous and persistent work with full understanding and proper preparation is necessary.

The most popular among MGE students

Parents want the best for their child's education, but we all experience obstacles: the content is too complex, the language barrier, there is not enough time or not finding someone to fit your busy schedule. We meet daily to complete school work. ASHC is the solution for which you were looking!

ASHC details:

- We meet at least 4x/week for 1+ hrs
- Online (until 11pm), In-person (until 9pm), Weekdays and weekends
- All K-12 subjects

The benefits:

- Frequent classes promise all the school work completed and fully understood lessons.
- Close all knowledge gaps

Private & Semi-private Classes

ANY TIME 1-ON-1

No other form of learning yields better results than 1-on-1 instruction

Results guaranteed, Online & In-Person

1-on-1 tutoring provides students with the guidance and personal attention they need to succeed in school. It is the most effective way to improve the academic progress, develop learning skills and reach outstanding exam scores. Having the proper guidance and access to expert tutors is the key to success. All levels.

1-on-1 Private details:

- Personalized study plan
- Online (until 11pm), In-person (until 9pm)
- Weekdays and weekends

The benefits:

- Address and understand weaknesses and strength
- Outstanding exam scores
- Close all learning gaps

Private & Group Classes

THE SKILLS

Turn your weaknesses into strengths

From the foundation to the high level calculus

“The Skills” small size classes are so much more than your school curriculum classes. We proudly offer “outside of classroom walls” lessons presented with different explanations and learning techniques, detailed solutions to questions and opportunity to develop confidence & team work skills. Grades 6-12 & university.

“The Skills” details

- Fall, spring and summer semester
- 7 weeks, 3x/week
- Online & In-person classes
- Individualized study plans

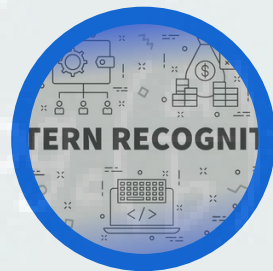

“The Skills” classes

- The Foundation of Math, Pre-Algebra, Algebra, Pre-Calculus & Geometry, Calculus, Vectors & Statistics. Science grade 6-12.

Private & Group Classes

MENTAL ARITHMETIC (MA)

Can you do math operations without calculators, even pen and paper?

Math training available only at Math Global Education!

Discover the iconic ways to solve math operations by truly understanding how it really works without using calculators, even pen and paper. This essential math class helps students visual math concepts, connections, patterns and all the methods of arithmetic, rather than just doing the calculations by memorization.

MA details

- Fall, spring & summer semester
- 7 weeks, 3x/week
- Grades: 4-6, 7-9, 10-12
- Math training offered only at MGE

Some MA topics include:

- Operations: addition, subtraction, multiplication and division
- Numbers & patterns
- Money, time & everyday math

Private & Group Classes

MASTERING EXAMS

How confident are you when you enter the exam room?

Doing exams with confidence is great experience

We fully prepare students for all math and science exams in high school and university around the world. This popular class includes workbook with 200+ very detailed Q&A, simply explained lessons and numerous examples. MGE welcomes students in our month, week or just weekend long “Mastering Exams” programs.

About exams

- High school and University exams
- Tips to help you ace exams
- The MGE workbooks with 200+ Q&A and examples included

The globally accepted exams

- PAT's, Diploma 12, Final Exams
- SAT, SSAT & ACT
- GMat, GRE, MCat
- IB SL & HL, ICGSE

Private & Group Classes

PREP IS THE KEY

What did you do to prepare yourself for the next class or school year?

Proper Preparation Prevents Poor Performance

This popular 7-week summer and 2-week winter class briefly prepares grade 6-12 and university students for the upcoming classes by becoming familiar with the curriculum, homework, examination and the material. “Prep is the key” classes gives students advantage of being more active and present in school classes.

The details

- 7-week summer & 2-week winter holiday break classes
- 3x/week
- *Online & In-person*

The Prep Classes

- The Foundation of Math, Pre-Algebra, Algebra, Geometry, Pre-Calculus, Calculus, Vectors & Statistics. Science grade 6-12.

Independent Study

MINIMUM SUPERVISION, MAXIMUM DISCOVERY

All the tools students need to become independent learners

Textbook solution manuals & math workbooks

Math Global Education workbooks include simply explained lessons, numerous examples and 500+ practice questions followed by detailed solutions, as well as personalized lesson plans. This is everything an independent learner really needs. MGE prepared solution manuals for all math textbooks used in our schools.

The details

- Paper and Video versions
- 500+ Q&A, numerous examples and simple explained lessons
- Grades 6-12 & University

Workbooks for Classes

- The Skills & Prep is the key
- Mental Arithmetic
- Mastering Exams
- Solution manuals for textbooks

Your success **Our mission**

Thank you for your positive feedback and for choosing Math Global Education as your child's learning partner. Together we are progressing towards academic excellence.

Joy Zlu
Edmonton, AB

My kids in grades 6, 9 and 12 love private classes with Bojana. It has been 4 years since we are with Math Global. Highly recommended..

Jay Dhali
Hamilton, ON

I was preparing for university calculus with Math Global. The best decision I made that summer. Thank you Math Global and Bojana.

Emma P.
Rome, Italy

I took private classes to prepare me for IB Math exam. We had 12 classes and I felt confident during my exams. Thank you for exam tips!

Robert Miles
Naples, FL

My kids have Mental Math classes with Math Global. These classes changed everything for us. We recommend Math Global.
