

Master exams and have a wonderful testing experience

MGE carefully prepared “Mastering Exams” classes to guide grade 10-12 students to extraordinary results on all math exams across Alberta and Canada.

Our 3 hour long courses are not only providing essential material, experienced tutors and conceptual classes, but also exams tips and skills in order to succeed in any academic and professional environment.

Online classes:

1 Group Class (3 hours): \$100

5 Private classes (1 hour each): \$300

10 Private classes (1 hour each): \$550
