Max 12 students per class

Regular and Advanced Online Group Classes

Grade 10-12 group classes are very collaborative, interactive and very popular among highschool students. We proudly offer both *General* and *Advanced* online group classes 2 times weekly after school on Mondays & Wednesdays, Tuesdays & Thursdays, and the weekends. We are not only focusing on finishing school assignments and homework, preparing for tests and closing knowledge gaps, but we are also emphasizing learning and improving mathematics conceptually and with confidence.
