

# PERSONALIZED TUTORING FOR STUDENTS FROM GRADE 1 TO UNIVERSITY: THE FLEXIBLE PRIVATE CLASS PLAN FOR TARGETED ACADEMIC SUPPORT

## The Flexible Private Class Plan

The *Flexible Private Class Plan* is designed to support students from Grade 1 to University level, offering personalized tutoring to address specific academic needs. The plan includes 5 private lessons per month, which can be scheduled at any time. Students can choose from three main subjects: Math, Science, or English.

This plan is particularly beneficial for students who:

- Are struggling with a specific, challenging concept and need targeted help.
- Need assistance with solving homework problems or completing assignments.
- Want to alleviate academic stress by addressing immediate concerns.
- Require preparation for upcoming exams, quizzes, and other assessments.

Flexible Private Class Plan	Grade 1-9	Grade 10-12	University
Price	\$250	\$275	\$350
Add Extra Class	\$50	\$55	\$70

# CHOOSING THE RIGHT PLAN: FIND THE PERFECT ACADEMIC SUPPORT BASED ON YOUR NEEDS AND GOALS

## Which math enrichment plan is for you?

The 4 plans provide varying levels of academic support based on the frequency of lessons and the number of students. *The Flexible Private Class Plan* offers 5 anytime sessions per month for individual students needing targeted help. *The Academic Booster Plan* includes 8 sessions per month- 2 classes weekly, and focuses on consistent support, study routines, and time management. *The Comprehensive Mastery Plan* offers the most intensive support with 12 lessons per month- 3 classes per week, for mastering multiple subjects for 1 student. Finally, *The Family Plan* provides 15 lessons per month for families with 2-3 students in grades 1-12 combined, offering extensive, personalized support.
